Re: Public Hearing July 23, 2020 concerning Commercial development in Wolf Lodge Bay, Lake CDA.

To whom it may concern:

We live on Powderhorn Bay, Lake CDA and have for the past 20 years. During this time there has been a significant increase in the number of homes along the east side of the lake and unfortunately there has not been a significant increase in the maintenance of Highway 97.
The proposed development would be on a curvy, narrow part of the highway which is one of the most heavily used areas for swimming, boating, fishing and other types of water recreation. This is a bottle neck area !!!

We are against any commercial development in the proposed area.

Respectfully yours:
Raymond + Frances Miller,
