

**SPECIAL ACTION**  
**STATE BOARD OF LAND COMMISSIONERS**  
**September 10, 1991**

On this date special action was taken by the board to consider the matter of the application to lease filled lakebed in Payette Lake to Douglas Manchester as directed at the regular meeting of the State Land Board on April 10, 1990 and in a special action taken on April 24, 1990. Approval to lease 0.253 acre of fill adjacent to the old mill site in Payette Lake to Douglas Manchester was contingent on a land exchange between Mr. Manchester and the City of McCall. Federal approval was also required because federal grant money had been used to develop Mill Park which was impacted by the exchange. Federal approval has been granted.

Authorization was granted to the department to issue the lease to Mr. Manchester and signed by:

Honorable Cecil D. Andrus, Governor and President of the Board  
Honorable Pete T. Cenarrusa, Secretary of State  
Honorable Larry EchoHawk, Attorney General  
Honorable J. D. Williams, State Auditor  
Honorable Jerry L. Evans, Superintendent of Public Instruction
