

Off Highway Recreation Pressure in Idaho

Recreation Pressure

Disclaimer:
This map has been compiled using the best information available to the Idaho Department of Lands at the time and may be updated and or revised without notice. In situations where known accuracy and completeness is required, the user has the responsibility to verify the accuracy of the map and the underlying data sources.

The Recreation Pressure layer was developed using a recreation pressure model developed by the Idaho Department of Lands based on travel times from populated areas and Off Highway Vehicle (OHV) surveys. Original data from U.S. Census 2000 and 2006 OHV registration by county.
