Box 83720, Boise, Idaho 83720-0050 ("State").

WHEREAS, the State desires to establish a non-exclusive easement for the benefit of all Lots within the subdivision for ingress and egress and for utilities over, across and under all roads within the subdivision, and an easement for the benefit of any Dominant Lot for ingress and egress and for utilities over, across and under any Driveway located upon any Servient Lot to a subdivision road as described in the Exhibits attached hereto and incorporated herein by reference in STATE SUBDIVISION – TWO MOUTH CREEK, according to the official plat thereof, filed in Book 10 of Plats, at Page 153, Instrument No. 839531, Official Records of Bonner County, Idaho, and to set forth the maintenance responsibilities of the Owners of the Lots.

NOW THEREFORE, the State hereby grants to and for the benefit of all Lots a non-exclusive easement for ingress and egress and for utilities over, under and across all roads within the subdivision, and further grants to and for the benefit of any Dominant Lot an easement for ingress and egress and for utilities over, under and across any Driveway located upon any Servient Lot to a subdivision road, as set forth herein.

A. Definitions:

1. "Declaration" shall mean this Declaration of Driveway and Utility Easement.
2. "Dominant Lot" shall mean any identified Lot which has the right of access and utilities over, across and under any other Lot as identified herein.
3. "Driveway" or "Driveways" shall mean the thirty foot (30') wide private driveway(s), or any other private driveway(s) of lesser width identified herein, located upon any Lot (Servient Lot) to provide any other Lot (Dominant Lot) with access and utilities over, across and under said Lot to a subdivision road and are described or visually shown by an Exhibit or Map attached hereto.
4. "Easement" shall mean the perpetual, nonexclusive easement over, across and under the roads within the subdivision and the Driveways for access and utilities created by this Declaration.
5. "Emergency" shall mean a situation that demands unusual or immediate action for the preservation of life or property.
6. "Exhibit" or "Exhibits" shall mean and include any and all attachments to this Declaration, which shall by reference be incorporated herein as if set forth herein in full.

7. "Lot" or "Lots" shall mean each Lot separately or all Lots as the context requires located in any Block of STATE SUBDIVISION – TWO MOUTH CREEK, according to the official plat thereof, filed in Book 10 of Plats, at Page 153, Instrument No. 839531, Official Records of Bonner County, Idaho. 1. All Driveway and Utility construction, reconstruction, and maintenance work shall comply with all applicable federal, state, and local laws, rules and regulations.

2. The Owners shall share in the costs of maintaining, repairing, replacing, and improving the Driveway, with all decisions as to the incurring of such costs to be made by the unanimous consent of the Owners over any relevant shared portion of the Driveway. If unanimous consent is not reached, the Owner desiring to perform the work shall pay for it.

3. The Easement shall also be for the installation, operation, repair, maintenance, and replacement of such normal and reasonable Utilities as may be necessary to service any Lot; provided however, that all such lines and facilities shall be installed and maintained below ground level at a safe depth as determined by applicable code and marked for easy identification. All costs of operating, maintaining, repairing, and replacing the lines and facilities benefitting any applicable Lot shall be borne by the Owner of any such Lot so benefitted, and the Owner of any other Lot not benefitting therefrom, shall have no obligation to maintain or repair or to contribute to the maintenance or repair of any such lines and facilities benefitting any other Lot. Maintenance of any Utilities that benefit more than one Lot shall be shared equally by all equally benefited Lots.

4. Notwithstanding the foregoing, in the event of an Emergency, the Owner of any Lot may perform emergency maintenance without the consent of any other Lot Owner. The Owner of the Lot paying for such Emergency maintenance shall be entitled to reimbursement of any portion of such reasonable costs from the Owner of any other Lot benefited by the emergency maintenance for the reasonable share of the cost of such emergency maintenance, repair, replacement, or improvement.

5. WHETHER OR NOT THE STATE CONTINUES TO OWN ANY OF THE LOTS OR AFTER ANY OF THE LOTS HAVE BEEN CONVEYED, THE STATE SHALL HAVE NO OBLIGATION TO PERFORM MAINTENANCE OF THE DRIVEWAY OR UTILITIES OR TO CONTRIBUTE TO ANY OF THE COSTS OF MAINTENANCE OF THE DRIVEWAY OR UTILITIES IN THE EVENT OF AN EMERGENCY OR OTHERWISE. ALL SUCH COSTS SHALL BE PAID BY THE OWNERS AS PROVIDED HEREIN. HOWEVER, IF THE STATE EFFECTS EMERGENCY OR OTHER REASONABLY NECESSARY REPAIRS OR MAINTENANCE, THEN THE STATE SHALL HAVE A RIGHT OF CONTRIBUTION AGAINST ANY OTHER OWNER OF ANY OTHER LOT BENEFITED BY SUCH REPAIR OR MAINTENANCE.

D. Restrictions on Improvements:

1. Other than the Driveway and Utilities, no structures or other improvements may be constructed or placed on or within the Driveway. No existing structures and/or improvements may be enlarged to encroach within the Driveway.

E. Perpetual Easement:

1. This Declaration, the Easement established herein, and the obligations, covenants and restrictions set forth herein shall be perpetual in duration.

F. No Merger:
