**Image 1. Idaho Acres by Owner. Breakdown of Idaho acres by four ownership categories.**

Federal ownership category includes mostly lands managed by U.S. Forest Service and Bureau of Land Management, with at least eight other subcategories of federal ownership. State ownership category includes lands managed by Idaho Department of Lands, Idaho Department of Fish and Game, and Idaho Department of Parks and Recreation.

**Image 2. State of Idaho 10-Year Fire Data, 2007-2017.**

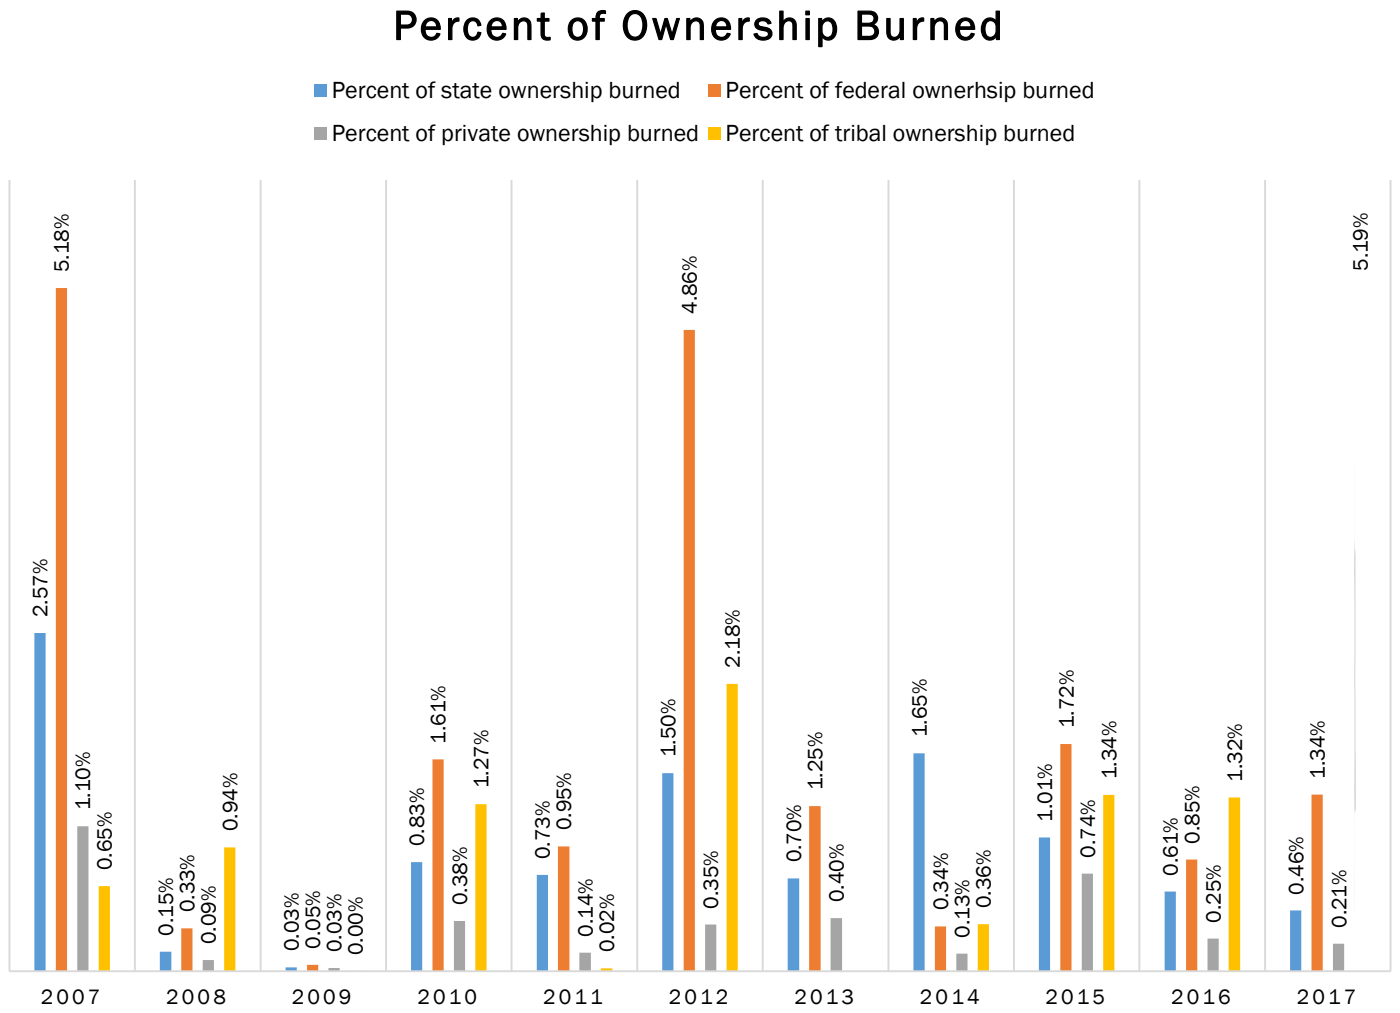

**Federal ownerships** make up 63% of total acres owned in Idaho. Federally owned acres burned over a 10-year period from 2007 to 2017 make up 86% of the total acres burned over the same period. **Private ownerships** make up 30% of total acres owned in Idaho. Private acres burned over a 10-year period from 2007 to 2017 make up 8% of the total acres burned over the same period. **State ownerships** make up 5% of total acres owned in Idaho. State owned acres burned over a 10-year period from 2007 to 2017 make up 4% of the total acres burned over the same period. **Tribal ownerships** make up 2% of total acres owned in Idaho. Tribal acres burned over a 10-year period from 2007 to 2017 make up 2% of the total acres burned over the same period.

**Image 3. Acres burned by year, by owner.** Shows acres burned in each category as a percent of that category's total ownership. Shows acres burned in each category as a percent of total ownership in Idaho, or 53,187,989 acres.

Ownership Agency	YEAR	Acres Burned	Total Acres Burned by Year	Percent of Ownership Burned	Ownership Burned as a Percentage of Total Ownership
