PLEASE GIVE YOUR BEST ESTIMATE OF ATTENDANCE IN EACH CATEGORY

Teams consist of four people. Team members compete as individuals as well as part of their team. Each team member's individual scores are added together to calculate the team's total score.

Individual Contestants: Contestants are *not required* to be on a team, i.e. Contestants are allowed to compete *only* as an individual, if they choose or if there are not enough contestants to make a team. Also, anyone can "*test up*" but testing in a younger category is not allowed (for example, a 7th grader can choose to compete in the Senior Division but *not* in the Rookie Division)

Important: Pictures and video are taken during the contest by contest volunteers and various reporters. Please let us know if any of your contestants have **not** given permission to have their pictures published.
