ATTN: Kourtney Romine, Administrative Assistant

OILANDGASCONVERSTIONALRULEMAKING@IDL.IDAHO.GOV

TO WHOM IT MAY CONCERN:

Please refer to page 17, #120. WELL SPACING

Humans and all wild life need a normal existence. 330 feet is simply not enough to maintain a peaceful life and by allowing this distance it is infringing on property rights!!  
Please consider 2,000 feet so all can have some normalcy to every day life!

Robert Hawthorne  
2439 Julie Avenue
