Re: Courtesy Notification of Application for Encroachment **NP220096**

To Whom it Concerns:

This letter is to inform you as a courtesy that your adjacent neighbor **GREGORY SCHNEIDER** has applied for a permit with Idaho Department of Lands to permit **a seawall on Hayden Lake**. The enclosed applications with site diagrams show the location and indicate dimensions and distances to your mutual property/riparian boundary.

If you **do not** have concerns about the proposed project after reviewing the application packet, and you **do not** wish to object to the application, please complete the attached form (sign box 1) and return it to our office as quickly as possible.

If you **object** to the proposed application and would like to **request a public hearing**, in which you will be named as the objecting party, please complete and return the attached form to IDL. State law IDAPA 20.03.04.030.04 requires you submit your written objection (specifically asking for a public hearing) and a **\$75 fee** to cover the cost of publishing notice of hearing **within thirty (30) days of the first date of publication** (the first date it appears in the local newspaper advertising the application). Please ensure the Department receives this information by **September 14, 2026**. Objections should be based on the standards for commercial, community, or nonnavigational encroachments, which can be found here: <https://adminrules.idaho.gov/rules/current/20/200304.pdf>. Failure to provide contact information may result in dismissal of the objection due to strict timelines for hearings.

Sincerely,
