You don't often get email from jamnpb2@frontier.com. Learn why this is important

To Whom It May Concern,

I am writing to file an immediate, formal objection and demand a freeze on pending Encroachment Permit **NP200101** (Permitee: Zumbro Holding Company, Inc.).

Public county GIS and IDL records indicate that this application has been assigned the physical address of **15751 DUFORT RD, PRIEST RIVER, ID 83856.**

I am the sole legal owner of the property located at **15751 DUFORT RD** (Parcel Number: **RP56N04W324480A**). Neither myself nor the Estate of Sharon Douglas has granted permission, signed an easement, or consented to allow Zumbro Holding Company, Inc. or Braden Estates to utilize my physical address, my upland access, or my property identity for their commercial dock encroachment application.

This application contains a severe administrative defect, falsely linking a commercial/subdivision dock development to my private residential homestead. I demand that this application be immediately halted, the public comment period reset, and a formal investigation opened into why a private citizen's home address is being utilized to secure commercial riverfront encroachment rights.

"Furthermore, pursuant to Idaho Code § 58-1306, I am formally requesting a Public Contested Case Hearing regarding Encroachment Permit NP200101. Please immediately provide me with instructions to submit the mandatory $75 publication fee electronically so that my request is fully executed prior to the October 5th deadline."

Sincerely,
Heather Merrifield
