Teams consist of four people who compete as individuals AND as part of a team. Their individual scores are combined to calculate the team's total score. Rookie & Junior teams should plan for one chaperone per team.

The NOVICE Division is a **non-competitive introductory course** designed for 5th& 6th grade students (or comparable age & experience), who have not previously attended the Idaho State Forestry Contest or who are not ready to compete at the Rookie Division level. Novices are led on the Novice course by a professional forester and their teacher or adult chaperone(s) from their group. A free BBQ lunch will be provided to all participants, coaches, and volunteers after the contest.

NOTE: If some of the students in your group want to compete and others don't, you can sign up the competitive kids as Rookies (use the competition form, please) while pre-registering the remainder of your group as Novices (on this form).
