Community dock	\$2,000.00	\$75.00	\$2,075.00
Commercial navigational encroachment	\$2,000.00*	\$75.00	\$2,075.00*

*Commercial navigational encroachments require a base fee of two thousand dollars (\$2,000). If the costs of processing an application exceed this amount, then the applicant may be charged additional costs as allowed by Idaho Code § 58-1307.

Fees are cumulative for multi-part projects that combine navigational and non-navigational components. Projects with only navigational encroachments that are permitted concurrently will not have cumulative fees, but if the same navigational encroachments are permitted separately the fees will be cumulative. Some examples are:

Navigational combined with non-navigational concurrently:

- Single Family Dock (\$425) + Water Intake Line ≤ 4 houses (\$425) = \$850
- Single Family Dock (\$425) + riprap project (\$550) + \$75 publication fee = \$1,050
- Commercial Navigational (\$2,000) + riprap project (\$550) + \$75 publication fee = \$2,625
- Commercial Navigational (\$2,000) + non-navigational project (\$1,000) + \$75 publication fee = \$3,075

Only navigational encroachments permitted concurrently:

- Single Family Dock (\$425) + boat lift (\$425) (concurrently) = \$425

Only navigational encroachments permitted separately:

- Single Family Dock (\$425) + boat lift (\$425) (separately) = \$850
