Hi Amidy,

Thanks for sending the revised app. Panhandle Health District does not have any objections to the proposed off-shore developments. Any on shore structures with plumbing will require a septic permit that meets current standards for the proposed use.

Good morning,

Please review the attached REVISED application for a commercial dock and working area on Lake Coeur d'Alene. There has been additional information provided to this application and IDL wanted to make sure it was supplied to the agencies.

Please have all questions and comments in by May 28, 2020.

Thanks,
