Comment:

re the dock building/commercial operation/ Wolf Lodge Bay  
cons...disruption of view/scenery  
disruption of spawning habitat kokanee and the eagles they bring  
the wetlands on the other side of the bridge will be impacted  
increased traffic via land and water  
disruption of water recreation in the bay  
more pollutants and dumping into the bay  
I am sure there are many other cons that I am completely ignorant of  
  
pros....condon makes money
