RE: Commercial Dock Permit for North Idaho Maritime

Dear Mr. Ahmer;

North Idaho Maritime is a member of the Idaho Association of Commerce and Industry. As such they find value in supporting economic prosperity for the state and those within the Kootenai County area. Their own business, provides good jobs and opportunity for employees in the region.

Part of their operations include, dock construction and maintenance, as well as, providing high quality dock services on Idaho waterways. As a result, they are requesting a permit for a commercial dock on Hayden Lake to continue to provide those high quality services. We at IACI are in support of this application.

We strongly urge you to approve the permit.

Sincerely,

Alex LaBeau

President
