The 37th annual Forestry Contest was a great success! Once again, a new record number of participants attended, with more than **650** students and **300** volunteers! There were approximately **150** Junior and Senior contestants, **86** Rookies, and **415** Novices on three courses. It was a beautiful North Idaho spring day, boosting the competitive spirits of these young contestants.

A GREAT SHOUT OUT is due to the wonderful teachers, coaches, and coach assistants from the forestry community who dedicate their time to helping the students study before the competition.

And another HUGE THANK YOU to all our volunteers and donors who stepped up to make this big educational event happen once again! It truly does take a village – or maybe a city!

THANK YOU VOLUNTEERS!

More than **300** volunteers from a wide range of agencies, organizations, businesses and professions helped with contest site preparation, setting up stations, tests, keys, & equipment preparation, coaching assistance, registration, scoring, lunch, leading contestants, running contest stations, giving forestry education presentations, procuring and transporting equipment, cleaning up afterward, and much more.

THANK YOU for your invaluable help! You are the backbone of the Idaho State Forestry Contest!

And, as always, many thanks to the **Delay Family**
for hosting the Idaho State Forestry Contest -
37 years straight!
