RE: Notice of Non-Compliance
Unpermitted Winter Dock Storage in Cougar Bay Lake Coeur d'Alene

Dear Mr. Sjoquist:

This letter is in response to the letter of non-compliance from April 20, 2020. We understood that we were to be issued a temporary permit from our last meeting in the fall of 2019.

We have been trying to resolve this issue for more than 10 years. We are more than willing and able to come up with an agreement to solve this issue. However, the timing now is right in the height of our season, which makes it difficult to put the appropriate attention to this matter. We respectfully request an extension for this permit to later in the season, so that we can take the time to review and respond with adequate information to the issue.

Sincerely,

A handwritten signature in black ink, appearing to read "John Condon", is written over a light blue horizontal line.
