RE: Sharlie-Grouse Neighborhood Assoc., Inc. v. Idaho State Board of Land Commissioners Petition for Declaratory Ruling

Dear Ms. Kaufmann & Ms. Vega:

We are writing to request that we be recognized as "interested persons" in the above-named matter filed with the Idaho State Board of Land Commissioners. Further, we ask that you provide any notice of further proceedings and copies of all documents related to this matter.

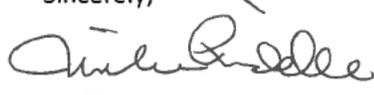

We are members of the Payette Lakes Cottage Sites Owners Association, Inc. (PLCSOA). We purchased our home on June 11, 2001 as leased property, and then purchased our lot through IDL auction on March 2, 2015. Our property is at [REDACTED]. When we purchased our lot, we purchased it subject to the common areas, access points, beaches, and roads being vested in the PLCSOA, and as such, giving us the right to use and enjoy these same areas as part of our ownership.

Please provide us with notice and copies of any further proceedings in the above matter and send via email and/or US Postal service mail to the following:

Please let me know if there is anything further that you will need from us to honor our request for documentation and to be listed as an "interested person" in this matter.

Sincerely,

Mike Riddle
