Re: ITB 21-225-1065222018 Priest Lake Road Maintenance – NOTICE OF CANCELLATION

The Idaho Department of Lands has determined it is necessary to cancel ITB 21-225-1065222018 – Priese Lake Road Maintenance because the competitive bidding process has been compromised.

This cancellation evidences IDL's overarching commitment to the transparent and fair nature of its competitive solicitations and ensures all vendors are receiving equitable treatment under IDL's Procurement Policy and Public Procurement Statutes of the state of Idaho.

This project will be solicited again in the near future.

Thank you for your interest in working with the Idaho Department of Lands.
