

AGENDA ITEM C

SUBJECT

Adoption of Temporary Administrative Rules 20.06.01

OVERVIEW

Executive administrative action is required to ensure the fee rules under for IDAPA 20.06.01 – Rules of the Idaho Board of Scaling Practices, remain in effect.

The fee rules currently in effect are the temporary rules conditionally adopted by the Idaho Board of Scaling Practices in February 2020 and published in a special edition of the Administrative Bulletin in April 2020. The existing temporary fee rules became effective on March 20, 2020 (*sine die*) and will continue in effect until the end of the 2021 legislative session.

The pending fee rules were submitted to the 2021 Idaho Legislature for review. The House Resources and Conservation Committee and the Senate Resources and Environment Committee approved the omnibus pending fee rules under docket 20-0000-2000F. To become final rules, the pending fee rules require approval by a concurrent resolution of the Idaho Legislature.

Although the Board conditionally adopted a temporary rule for IDAPA 20.06.01 in February 2021 to become effective upon adjournment of the legislature, the adjournment of the 2021 legislative session could be as late as December 31.

To ensure the continuity of administrative fee rules, the governor and his staff have directed all state agencies to adopt temporary fee rules with an effective date of July 1, 2021, and to rescind the existing temporary fee rules with the same effective date of July 1, 2021.
