

**Purpose:**

The purpose of this application is to develop a list of contractors that are interested in performing logging and hauling operations for Idaho Department of Lands. The questions below will ensure we are setting up these sales on Areas where we have a contractor pool with the appropriate logging capabilities. As we identify a delivered products sale, we will put the logging and harvesting contract out for bid for contractors that have checked the IDL Supervisory Area that the sale is occurring in.

**Submitting the Application:**
