RE: IDL ITB 23-711 - WILDLAND FIRE ENGINE SERVICE BODIES – NOTICE OF SOLICITATION  
CANCELLATION

*Delivered via Email*

This is notification of the Idaho Department of Lands (IDL) cancellation of ITB 23-711– Wildland Fire Engine Service Bodies. The determination to cancel this solicitation is two-fold: A) all bids received were over IDL's allocated budget amount and B) none of the submissions completely met the required specifications. In accordance with Procurement Policy 13, IDL is exercising its right to negotiate directly with a qualified vendor to ensure the service bodies purchased meet all specification and budget requirements.

We sincerely appreciate the time and effort you invested in providing a bid. It's unfortunate the initial competitive solicitation did not result in a valid contract award. In accordance with Procurement Policy 13 and state code, IDL is returning your bid submission, and will not retain a record of the response.

Please contact me at 208-666-8613 if you have any questions.

Respectfully,

Michaelle Sande  
Buyer
