Kourtney:

Thank you for your email. The Adobe document which I had created contained an index of labeled exhibits. I do not know what happened to the file in transmission. It must have been altered or corrupted in some fashion.

I reviewed your reconstruction of the the exhibits which begin on page 15 of 64 of your PDF attachment. I have attached the exhibit list with the exhibit's page numbers in your file revision.

The last page titled "Audio Transcription" should appear before exhibits B and C just to show where they originated.

Please notice that Exhibit J is out of the page order sequence. It is on page 52.

See the attached.

Sincerely, Greg Wilson

Subject: RE: Revised Wilson Declaration PH-2022-NAV-10-001

Mr. Wilson,

Can you please confirm that the attached document is what you would like submitted to the record? I combined all of the documents you submitted including the revised declaration, memo, and all exhibits.

I noticed that the revised declaration referenced Case No. PH-2022-NAV-10-002 but the permit number and content appears to match what you had for Case No. PH-2022-NAV-10-001.

Please confirm if the attached document is the correct version for Case No. PH-2022-NAV-10-001.

Thank you,

Ms. Romine and Others:

Please find attached the revised Wilson Declaration which corrected a typographic error on page 4.

The name "Mr.Rouse" was incorrectly used instead of "Mr. England". England is the correct word.

Please substitute this corrected Declaration for the one submitted yesterday.

Sincerely,

Gregory Wilson
