

Notice of Proposed Timber Sales

According to Idaho State Land Board of Land Commissioners policy, this document serves to notify the public of the proposed endowment timber sales being developed by the Idaho Department of Lands for two years in the future.

Sale where wildfire, insect infestation, disease infection, extreme weather events or other extraordinary circumstances that require the expeditious removal of affected timber may not be listed in this document.

Sales that capture dynamic or unique market opportunities may not be listed in this document.

The Idaho Department of Lands tentatively plans to conduct field work on the following timber sales for the fiscal year 2026 annual sales plan and on sales proposed beyond fiscal year 2026. Volumes and acres are approximate.

All pages of this document are tentative plans and contain more sales, volume, and acres than will be offered for sale in fiscal year 2026. A more definitive draft of the proposed fiscal year 2026 timber sale plan will be posted to this website in January 2025. The proposed fiscal year 2026 plan is subject to review and approval at the April 2025 meeting of the Idaho State Board of Land Commissioners.
