*In 2023 IDL had 30 active Dredge and Placer Mining permits. 7 were on USFS lands, 23 were on BLM and private lands.*

*Current inspection fees are \$100 on USFS lands and \$250 on BLM and private lands.*

*Each Permit inspection takes approximately 8 hours of staff time, a cost to IDL of approximately \$435/permit.*

*If inspection fees are increased to \$435 for all placer permits, this will result in an estimated annual increase of \$6,600.*
