Comment:

I am in favor of the rule passing. Idahoans need a way to protect and enforce that campers are not living, dumping sewage and garbage on our State grounds.

I had campers that had stayed 7 weeks next to my cabin, the Fremont County Deputy was forbidden to ask the campers to move by the Department of lands.

As a native Idahoan I value the recreational activities of our state and I want to ensure that my grandchildren will still have a beautiful state to camp in responsibly.
