

STATE BOARD OF LAND COMMISSIONERS

August 15, 2023

Regular Agenda

Subject

Negotiated rulemaking for IDAPA 20.04.01 *Rules Pertaining to Forest Fire Protection*

Question Presented

Shall the Land Board authorize the Department to initiate negotiated rulemaking for IDAPA 20.04.01 *Rules Pertaining to Forest Fire Protection*?

Background

The Idaho Department of Lands (Department) is responsible for fire suppression on all private timberland and endowment timber and rangelands. IDAPA 20.04.01 identifies the persons responsible for and staffing for fire protection districts, as well as enforcement authorities for those individuals. The Forest Fire Protection rules also identify assessment rates levied on timberlands to fund fire protection district personnel and equipment. Furthermore, the rules provide instructions related to the use of deficiency warrants, as well as guidance for entering into fire protection agreements with other fire suppression entities.

Discussion

Following Executive Order 2020-01, Zero-Based Regulation, this rule chapter is scheduled to be repealed and replaced in 2024 for review during the 2025 legislative session. The Department will review the rules with stakeholders to ensure it provides clarity in our processes. Preliminary research from the Department has not identified any major changes. The Department anticipates reducing the total word count by removing repetitive statements from the rule chapter.

A proposed timeline for the rulemaking process is provided as Attachment 1.

Recommendation

Authorize the Department to initiate negotiated rulemaking for IDAPA 20.04.01 *Rules Pertaining to Forest Fire Protection*.

Board Action

A motion was made by Superintendent Critchfield that the Land Board authorize the Department to move forward with negotiated rulemaking for IDAPA 20.04.01 as indicated. Secretary of State McGrane seconded the motion. The motion carried on a vote of 5-0.
