- **01.** Contested Case. Sections 100 through 780 These rules govern procedure before the Board in contested cases, unless otherwise provided by statute, rule, notice or order of the Board.
- **02. Other Specified Procedures.** Where another statute or rule requires specific procedures in a contested case before the Board, such other procedures will preempt these rules to the extent that these rules conflict with the other procedures. To the extent the other statute or rule does not address any matter of practice and procedure set forth in these rules, however, these rules shall govern. (3-31-22)
- **Rules Not Applicable to Board Meetings**. These rules do not govern practice and procedure before regular or special Board meetings. Board meetings are conducted informally and are not contested case hearings. A person who is dissatisfied with any decision of the Board may apply to appear before and be heard by the Board. Such appearances are informal and minutes will be taken and recorded the same as for regular Board meetings, unless application is made for a contested case hearing. A contested case hearing is available only wherewhen authorized by statute. See Subsection 104.02.

 (3 31 22)
- 04. Rules Not Applicable to Proceedings or Public Hearings. These rules do not govern proceedings in any public comment hearing that the Board may direct for the purpose of taking public comment on any matter.

 (3.31.22)

051. REFERENCE TO AGENCY.

Reference to the agency in these rules includes the Board and its Secretary, the Director of the Department of Lands, the hearing officer appointed by the agency, or the presiding officer, as context requires. 052. LIBERAL CONSTRUCTION.

The rules in this chapter will be liberally construed to secure just, speedy and economical determination of all issues presented to the agency. Unless prohibited by statute, the agency may permit deviation from these rules when it finds that compliance with them is impracticable, unnecessary or not in the public interest. Unless required by statute, the Idaho Rules of Civil Procedure and the Idaho Rules of Evidence do not apply to contested case proceedings conducted before the agency.

(3 31 22)

053. COMMUNICATIONS WITH AGENCY.

All written communications and documents that are intended to be part of an official record for a decision in a contested case must be filed with the Board's Secretary/Director of the Department of Lands, or such officer appointed by the Board. (3 31 22)

054. IDENTIFICATION OF COMMUNICATIONS.

Parties' communications addressing or pertaining to a given proceeding must be written under that proceeding's case caption and case number. General communications by other persons should refer to case captions, case numbers, permit or license numbers, or the like, if this information is known.

Unless otherwise provided by statute, these rules, order or notice, service of orders and notices is complete when a copy, properly addressed and stamped, is deposited in the United States mail or the Statehouse mail, if the party is a state employee or state agency. The officer designated by the agency to serve documents in a proceeding must serve all orders and notices in a proceeding on the representatives of each party designated pursuant to these rules for that proceeding and upon other persons designated by these rules or by the agency.

100. INFORMAL PROCEEDINGS DEFINED.

Informal proceedings are proceedings in contested cases authorized by statute, rule or order of the agency to be conducted using informal procedures, i.e., procedures without a record to be preserved for later agency or judicial review, without the necessity of representation according to Section 202, without formal designation of parties, without the necessity of hearing examiners or other presiding officers, or without other formal procedures required by these rules for formal proceedings. Unless prohibited by statute, an agency may provide that informal proceedings may precede formal proceedings in the consideration of a rulemaking or a contested case.

(3 31 22)

101. INFORMAL PROCEDURE.

Statute authorizes and these rules encourage the use of informal proceedings to settle or determine contested cases. Unless prohibited by statute, the agency may provide for the use of informal procedure at any stage of a contested case. Informal procedure may include individual contacts by or with the agency staff asking for information, advice or assistance from the agency staff, or proposing informal resolution of formal disputes under the law administered by the agency. Informal procedures may be conducted in writing, by telephone or television, or in person. (3 31 22)

102. FURTHER PROCEEDINGS.

If statute provides that informal procedures shall be followed with no opportunity for further formal administrative review, then no opportunity for later formal administrative proceedings must be offered following informal proceedings. Otherwise, except as provided in Section 103, any person participating in an informal proceeding must be given an opportunity for a later formal administrative proceeding before the agency, if such person is entitled to a contested case hearing, at which time the parties may fully develop the record before the agency. (3 31 22)

103. INFORMAL PROCEEDINGS DO NOT EXHAUST ADMINISTRATIVE REMEDIES.

Unless all parties agree to the contrary in writing, informal proceedings do not substitute for formal proceedings and do not exhaust administrative remedies, and informal proceeding are conducted without prejudice to the right of the parties to present the matter formally to the agency. Settlement offers made in the course of informal proceedings are confidential.

(3 31 22)

104. FORMAL PROCEEDINGS.

O1. Initiation of Proceedings. Formal proceedings, which are governed by rules of procedure other than Sections 100 through 103, must be initiated by a document (generally a notice, order or complaint if initiated by the agency) or another pleading listed in Sections 220 through 260 if initiated by another person. Formal proceedings may be initiated by a document from the agency informing the party(ies) that the agency has reached an informal determination that will become final in the absence of further action by the person to whom the correspondence is addressed, provided that the document complies with the requirements of Sections 210 through 280. Formal proceedings can be initiated by the same document that initiates informal proceedings. (3 31 22)

Persons other than the persons named in Sections 151 through 156 are not parties for the purpose of any statute or rule addressing rights or obligations of parties to a contested case. In kinds of proceedings in which persons other than the applicant or claimant or appellant, petitioner, complainant, or respondent would be expected to have an interest, persons may request the agency in writing that they be notified when proceedings of that kind are initiated. These persons are called "Interested Persons." Interested persons may become protestants, intervenors or public witnesses. The agency must serve notice of such proceedings on all interested persons. Intervenors who do not file timely petitions are bound by orders and notices earlier entered as a condition of granting the untimely petition.

(3 31 22)

353. GRANTING PETITIONS TO INTERVENE.

If a petition to intervene shows direct and substantial interest in any part of the subject matter of a proceeding and does not unduly broaden the issues, the presiding officer will grant intervention, subject to reasonable conditions. If it appears that an intervenor has no direct or substantial interest in the proceeding, the presiding officer may dismiss the intervenor from the proceeding.

(3.31.22)

354. ORDERS GRANTING INTERVENTION -- OPPOSITION.

No order granting a petition to intervene will be acted upon fewer than seven (7) days after its filing, except in a hearing in which any party may be heard. Any party opposing a petition to intervene by motion must file the motion within seven (7) days after receipt of the petition to intervene and serve the motion upon all parties of record and upon the person petitioning to intervene.

355. PUBLIC WITNESSES.

Persons not parties and not called by a party who testify at hearing are called "public witnesses." Public witnesses do not have parties' rights to examine witnesses or otherwise participate in the proceedings as parties. Public witnesses' written or oral statements and exhibits are subject to examination and objection by parties. Subject to Sections 558 and 560, public witnesses have a right to introduce evidence at hearing by their written or oral statements and exhibits introduced at hearing, except that public witnesses offering expert opinions at hearing or detailed analysis or detailed exhibits must comply with Section 530 with regard to filing and service of testimony and exhibits to the same extent as expert witnesses of parties.

DISQUALIFICATION OF OFFICERS HEARING CONTESTED CASES.

Pursuant to Section 67 5252, Idaho Code, hearing officers are subject to disqualification for bias, prejudice, interest, substantial prior involvement in the case other than as a presiding officer, status as an employee of the agency, lack of professional knowledge in the subject matter of the contested case, or any other reason provided by law or for any cause for which a judge is or may be disqualified. Any party may promptly petition for the disqualification of a hearing officer after receiving notice that the officer will preside at a contested case or upon discovering facts establishing grounds for disqualification, whichever is later. Any party may assert a blanket disqualification for cause of all employees of the agency hearing the contested case, other than the agency head, without awaiting the designation by a presiding officer. A hearing officer whose disqualification is requested shall determine in writing whether to grant the petition for disqualification, stating facts and reasons for the hearing officer's determination. Disqualification of agency heads, if allowed, will be pursuant to Sections 74-704 and 67-5252(4), Idaho Code.

(3 31 22)413. SCOPE OF AUTHORITY OF HEARING OFFICERS. The scope of hearing officers' authority may be restricted in the appointment by the agency. Scope of Authority. Unless the agency otherwise provides, hearing officers have the standard scope (3 31 22)of authority, which is: Authority to schedule cases assigned to the hearing officer, including authority to issue notices of prehearing conference and of hearing, as appropriate; Authority to schedule and compel discovery, when discovery is authorized before the agency, and to require advance filing of expert testimony, when authorized before the agency; Authority to preside at and conduct hearings, accept evidence into the record, rule upon objections to evidence, and otherwise oversee the orderly presentations of the parties at hearing; and Authority to issue a written decision of the hearing officer, including a narrative of the proceedings before the hearing officer and recommended findings of fact, conclusions of law, and recommended or preliminary orders by the hearing officer. Limitation. The hearing officer's scope of authority may be limited from the standard scope, either in general, or for a specific proceeding. For example, the hearing officer's authority could be limited to scope iii (giving the officer authority only to conduct hearing), with the agency retaining all other authority. Hearing officers can be given authority with regard to the agency's rules as provided in Section 416. Final Decision by Board. All final decisions in contested cases will be made by the Board. A hearing officer will only issue recommended findings of fact, conclusions of law, and orders to the Board, and the Board will make the final decision to adopt, modify, or reject any or all of the proposed findings, conclusions, and order. PRESIDING OFFICER(S). One (1) or more members of the agency board, the agency director, or duly appointed hearing officers may preside at hearing as authorized by statute or rule. When more than one (1) officer sits at hearing, they may all jointly be presiding officers or may designate one of them to be the presiding officer.

415. CHALLENGES TO STATUTES.

A hearing officer in a contested case has no authority to declare a statute unconstitutional. However, when a court of competent jurisdiction whose decisions are binding precedent in the state of Idaho has declared a statute unconstitutional, or when a federal authority has preempted a state statute or rule, and the hearing officer finds that the same state statute or rule or a substantively identical state statute or rule that would otherwise apply has been challenged in the proceeding before the hearing officer, then the hearing officer shall apply the precedent of the court or the preemptive action of the federal authority to the proceeding before the hearing officer and decide the proceeding before the hearing officer in accordance with the precedent of the court or the preemptive action of the federal (3 31 22)authority.

416. REVIEW OF RULES.

When an order is issued by the agency head in a contested case, the order may consider and decide whether a rule of that agency is within the agency's substantive rulemaking authority or whether the rule has been promulgated according to proper procedure. The agency head may delegate to a hearing officer the authority to recommend a decision on issues of whether a rule is within the agency's substantive rulemaking authority or whether the rule has been promulgated according to proper procedure or may retain all such authority itself.

(3 31 22)

417. EX PARTE COMMUNICATIONS.

Unless required for the disposition of a matter specifically authorized by statute to be done ex parte, a presiding officer serving in a contested case shall not communicate, directly or indirectly, regarding any substantive issue in the contested case with any party, except upon notice and opportunity for all parties to participate in the communication. The presiding officer may communicate ex parte with a party concerning procedural matters (e.g., scheduling). Exparte communications from members of the general public not associated with any party are not required to be reported by this rule. However, when a presiding officer has received a written exparte communication regarding any substantive issue from a party or representative of a party during a contested case, the presiding officer shall place a copy of the communication in the file for the case and distribute a copy of it to all parties of record or order the party providing the written communication to serve a copy of the written communication upon all parties of record. Written communications from a party showing service upon all other parties are not exparte communications. (3 31 22)

500. ALTERNATIVE RESOLUTION OF CONTESTED CASES.

The Idaho Legislature encourages informal means of alternative dispute resolution (ADR). For contested cases, the means of ADR include, but are not limited to, settlement negotiations, mediation, factfinding, minitrials, and arbitration, or any combination of them. These alternatives can frequently lead to more creative, efficient and sensible outcomes than may be attained under formal contested case procedures. An agency may use ADR for the resolution of issues in controversy in a contested case if the agency finds that such a proceeding is appropriate. Reasons why an agency may find that using ADR is not appropriate may include, but are not limited to, a finding that an authoritative resolution of the matter is needed for precedential value, that formal resolution of the matter is of special importance to avoid variation in individual decisions, that the matter significantly affects persons who are not parties to the proceeding, or that a formal proceeding is in the public interest. Nothing in this rule shall be interpreted to require the Board to utilize ADR procedures in a contested case, nor shall it require the Board to make any findings of fact, conclusions of law, or orders with respect to a decision concerning utilization of ADR procedures. A Board decision on utilization of ADR procedures is not reviewable.

501. NEUTRALS.

When ADR is used for all or a portion of a contested case, the agency may provide a neutral to assist the parties in resolving their disputed issues. The neutral may be an employee of the agency or of another state agency or any other individual who is acceptable to the parties to the proceeding. A neutral shall have no official, financial, or personal conflict of interest with respect to the issues in controversy, unless such interest is disclosed in writing to all parties and all parties agree that the neutral may serve.

(3 31 22)

502. CONFIDENTIALITY.

Communications in an ADR proceeding shall not be disclosed by the neutral or by any party to the proceeding unless all parties to the proceeding consent in writing, the communication has already been made public, or is required by court order, statute or agency rule to be made public.

510. PURPOSES OF PREHEARING CONFERENCES.

The presiding officer may by order or notice issued to all parties and to all interested persons as defined in Section 158 convene a prehearing conference in a contested case for the purposes of formulating or simplifying the issues, obtaining concessions of fact or identification of documents to avoid unnecessary proof, scheduling discovery (when discovery is allowed), arranging for the exchange of proposed exhibits or prepared testimony, limiting witnesses, discussing settlement offers or making settlement offers, scheduling hearings, establishing procedure at hearings, and

511. NOTICE OF PREHEARING CONFERENCE.

Notice of the place, date and hour of a prehearing conference will be served at least fourteen (14) days before the time set for the prehearing conference, unless the presiding officer finds it necessary or appropriate for the conference to be held earlier. Notices for prehearing conference must contain the same information as notices of hearing with regard to an agency's obligations under the American with Disabilities Act.

(3 31 22)

512. RECORD OF CONFERENCE.

Prehearing conferences may be held formally (on the record) or informally (off the record) before or in the absence of a presiding officer, according to order or notice. Agreements by the parties to the conference may be put on the record during formal conferences or may be reduced to writing and filed with the agency after formal or informal conferences.

(3.31.22)

513. ORDERS RESULTING FROM PREHEARING CONFERENCE.

The presiding officer may issue a prehearing order or notice based upon the results of the agreements reached at or rulings made at a prehearing conference. A prehearing order will control the course of subsequent proceedings unless modified by the presiding officer for good cause.

(3.31.22)

514. FACTS DISCLOSED NOT PART OF THE RECORD.

Facts disclosed, offers made and all other aspects of negotiation (except agreements reached) in prehearing conferences in a contested case are not part of the record.

533. -- 549. (RESERVED)

550. NOTICE OF HEARING.

Notice of the place, date and hour of hearing will be served on all parties at least fourteen (14) days before the time set for hearing, unless the agency finds by order that it is necessary or appropriate that the hearing be held earlier. Notices must comply with the requirements of Section 551. Notices must list the names of the parties (or the lead parties if the parties are too numerous to name), the case number or docket number, the names of the presiding officers who will hear the case, the name, address and telephone number of the person to whom inquiries about scheduling, hearing facilities, etc., should be directed, and the names of persons with whom the documents, pleadings, etc., in the ease should be filed if the presiding officer is not the person who should receive those documents. If no document previously issued by the agency has listed the legal authority of the agency to conduct the hearing, the notice of hearing must do so. The notice of hearing shall state that the hearing will be conducted under these rules of procedure and inform the parties where they may read or obtain a copy.

(3 31 22)

551. FACILITIES AT OR FOR HEARING AND ADA REQUIREMENTS.

All hearings must be held in facilities meeting the accessibility requirements of the Americans with Disabilities Act, and all notices of hearing must inform the parties that the hearing will be conducted in facilities meeting the accessibility requirements of the Americans with Disabilities Act. All notices of hearing must inform the parties and other persons notified that if they require assistance of the kind that the agency is required to provide under the Americans with Disabilities Act (e.g., sign language interpreters, Braille copies of documents) in order to participate in or understand the hearing, the agency will supply that assistance upon request a reasonable number of days before the hearing. The notice of hearing shall explicitly state the number of days before the hearing that the request must be made.

(3 31 22)

552. HOW HEARINGS HELD.

Hearings may be held in person or by telephone or television or other electronic means, if each participant in the hearing has an opportunity to participate in the entire proceeding while it is taking place. (3 31 22)

553. CONDUCT AT HEARINGS.

All persons attending a hearing must conduct themselves in a respectful manner. Smoking is not permitted at hearing.

(3-31-22)

554. CONFERENCE AT HEARING.

In any proceeding the presiding officer may convene the parties before hearing or recess the hearing to discuss formulation or simplification of the issues, admissions of fact or identification of documents to avoid unnecessary proof, exchanges of documents, exhibits or prepared testimony, limitation of witnesses, establishment of order of procedure, and other matters that may expedite orderly conduct of the hearing. The presiding officer shall state the results of the conference on the record.

(3.31.22)

555. PRELIMINARY PROCEDURE AT HEARING.

Before taking evidence the presiding officer will call the hearing to order, take appearances of parties, and act upon any pending motions or petitions. The presiding officer may allow opening statements as necessary or appropriate to explain a party's presentation.

(3-31-22)

556. CONSOLIDATION OF PROCEEDINGS.

The agency may consolidate two (2) or more proceedings for hearing upon finding that they present issues that are related and that the rights of the parties will not be prejudiced. In consolidated hearings the presiding officer determines the order of the proceeding.

(3 31 22)

557. STIPULATIONS.

Parties may stipulate among themselves to any fact at issue in a contested case by written statement filed with the presiding officer or presented at hearing or by oral statement at hearing. A stipulation binds all parties agreeing to it only according to its terms. The agency may regard a stipulation as evidence or may require proof by evidence of the facts stipulated. The agency is not bound to adopt a stipulation of the parties, but may do so. If the agency rejects a stipulation, it will do so before issuing a final order, and it will provide an additional opportunity for the parties to

present evidence and arguments on the subject matter of the rejected stipulation. (3-31-22)

558. ORDER OF PROCEDURE.

The presiding officer may determine the order of presentation of witnesses and examination of witnesses. (3-31-22)

559. TESTIMONY UNDER OATH.

All testimony presented in formal hearings will be given under oath. Before testifying each witness must swear or affirm that the testimony the witness will give before the agency is the truth, the whole truth, and nothing but the truth.

(3.31-22)

560. PARTIES AND PERSONS WITH SIMILAR INTERESTS.

If two (2) or more parties or persons have substantially like interests or positions, to expedite the proceeding and avoid duplication, the presiding officer may limit the number of them who testify, examine witnesses, or make and argue motions and objections.

(3 31 22)

561. CONTINUANCE OF HEARING.

The presiding officer may continue proceedings for further hearing. (3.31-22)

562. RULINGS AT HEARINGS.

The presiding officer rules on motions and objections presented at hearing. When the presiding officer is a hearing officer, the presiding officer's rulings may be reviewed by the agency head in determining the matter on its merits and the presiding officer may refer or defer rulings to the agency head for determination.

(3. 31. 22)

563. ORAL ARGUMENT.

The presiding officer may set and hear oral argument on any matter in the contested case on reasonable notice according to the circumstances.

(3.31.22)

564. BRIEFS - MEMORANDA - PROPOSED ORDERS OF THE PARTIES - STATEMENTS OF POSITION - PROPOSED ORDER OF THE PRESIDING OFFICER.

In any contested case, any party may ask to file briefs, memoranda, proposed orders of the parties or statements of position, and the presiding officer may request briefs, proposed orders of the parties, or statements of position. The presiding officer may issue a proposed order and ask the parties for comment upon the proposed order. (3-31-22)

565. PROCEDURE ON PREHEARING MOTIONS.

The presiding officer may consider and decide prehearing motions with or without oral argument or hearing. If oral argument or hearing on a motion is requested and denied, the presiding officer must state the grounds for denying the request. Unless otherwise provided by the presiding officer, when a motion has been filed, all parties seeking similar substantive or procedural relief must join in the motion or file a similar motion within seven (7) days after receiving the original motion. The party(ies) answering to or responding to the motion(s) will have fourteen (14) days from the time of filing of the last motion or joinder pursuant to the requirements of the previous sentence in which to respond.

(3 31 22)

566. JOINT HEARINGS.

The agency may hold joint hearings with federal agencies, with agencies of other states, and with other agencies of the state of Idaho. When joint hearings are held, the agencies may agree among themselves which agency's rules of practice and procedure will govern.

(3 31 22)

567. -- 599. (RESERVED)

600. RULES OF EVIDENCE -- EVALUATION OF EVIDENCE.

Evidence should be taken by the agency to assist the parties' development of a record, not excluded to frustrate that development. The presiding officer at hearing is not bound by the Idaho Rules of Evidence. No informality in any proceeding or in the manner of taking testimony invalidates any order. The presiding officer, with or without objection, may exclude evidence that is irrelevant, unduly repetitious, inadmissible on constitutional or statutory grounds, or on the basis of any evidentiary privilege provided by statute or recognized in the courts of Idaho. All other evidence may be admitted if it is of a type commonly relied upon by prudent persons in the conduct of their affairs. The agency's

experience, technical competence and specialized knowledge may be used in evaluation of evidence.

(3.31-22)

601. DOCUMENTARY EVIDENCE.

Documentary evidence may be received in the form of copies or excerpts. Upon request, parties shall be given an opportunity to compare the copy with the original if available.

(3 31 22)

602. OFFICIAL NOTICE -- AGENCY STAFF MEMORANDA.

Official notice may be taken of any facts that could be judicially noticed in the courts of Idaho and of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified of the specific facts or material noticed and the source of the material noticed, including any agency staff memoranda and data. Notice that official notice will be taken should be provided either before or during the hearing, and must be provided before the issuance of any order that is based in whole or in part on facts or material officially noticed. Parties must be given an opportunity to contest and rebut the facts or material officially noticed. When the presiding officer proposes to notice agency staff memoranda or agency staff reports, responsible staff employees or agents shall be made available for cross examination if any party timely requests their availability.

(3 31 22)

603. DEPOSITIONS.

Depositions may be offered into evidence.

(3 31 22)

604. OBJECTIONS -- OFFERS OF PROOF.

Grounds for objection to the admission or exclusion of evidence must be stated briefly at the time the evidence is offered. Formal exceptions to rulings admitting or excluding evidence are unnecessary and need not be taken. An offer of proof for the record consists of a statement of the substance of the excluded evidence. When a party objects to the admission of evidence, the presiding officer will rule on the objection, or, if the presiding officer is a hearing officer, the presiding officer may receive the evidence subject to later ruling by the agency head or refer the matter to the agency head. (3 31 22)

605. PREPARED TESTIMONY.

The presiding officer may order a witness's prepared testimony previously distributed to all parties to be included in the record of hearing as if read. Admissibility of prepared testimony is subject to Section 600. (3 31 22)

606. EXHIBITS.

Exhibits numbers may be assigned to the parties before hearing. Exhibits prepared for hearing must ordinarily be typed or printed on eight and one half inch by eleven inch (8 1/2" x 11") white paper, except maps, charts, photographs and non-documentary exhibits may be introduced on the size or kind of paper customarily used for them. A copy of each documentary exhibit must be furnished to each party present and to the presiding officer, except for unusually bulky or voluminous exhibits that have previously been made available for the parties' inspection. Copies must be of good quality. Exhibits identified at hearing are subject to appropriate and timely objection before the close of proceedings. Exhibits to which no objection is made are automatically admitted into evidence without motion of the sponsoring party. Motion pictures, slides, opaque projections, videotapes, audiotapes or other materials not capable of duplication by still photograph or reproduction on paper shall not be presented as exhibits without approval of the presiding officer. (3 31 22)

607. 609. (RESERVED)

610. CONFIDENTIALITY OF SETTLEMENT NEGOTIATIONS.

Settlement negotiations in a contested case are confidential, unless all participants to the negotiation agree to the contrary in writing. Facts disclosed, offers made and all other aspects of negotiation (except agreements reached) in settlement negotiations in a contested case are not part of the record.

(3 31 22)

611. SUGGESTION FOR OR INQUIRY ABOUT SETTLEMENTS.

Through notice or order or on the record at prehearing conference or hearing, the presiding officer may inquire of the parties in any proceeding whether settlement negotiations are in progress or are contemplated or may invite settlement of an entire proceeding or certain issues.

(3 31 22)

612. CONSIDERATION OF SETTLEMENTS.

Settlements must be reviewed under this rule. When a settlement is presented to the presiding officer, the presiding officer will prescribe procedures appropriate to the nature of the settlement to consider the settlement. For example, the presiding officer could summarily accept settlement of essentially private disputes that have no significant implications for administration of the law for persons other than the affected parties. On the other hand, when one (1) or more parties to a proceeding is not party to the settlement or when the settlement presents issues of significant implication for other persons, the presiding officer may convene an evidentiary hearing to consider the reasonableness of the settlement and whether acceptance of the settlement is consistent with the agency's charge under the law.

(3.31.22)

613. BURDENS OF PROOF.

Proponents of a proposed settlement carry the burden of showing that the settlement is in accordance with the law. The presiding officer may require the development of an appropriate record in support of or opposition to a proposed settlement as a condition of accepting or rejecting the settlement.

(3 31 22)

614. SETTLEMENT NOT BINDING.

The presiding officer is not bound by settlement agreements that are not unanimously accepted by all parties or that have significant implications for persons not parties. In these instances, the presiding officer will independently review any proposed settlement to determine whether the settlement is in accordance with the law.

(3. 31. 22)

651. RECORDING OF HEARINGS.

All hearings shall be recorded on audiotape or videotape at the agency's expense. The agency may provide for a transcript of the proceeding at its own expense. Any party may have a transcript prepared at its own expense.

652. -- 699. (RESERVED)

700. NOTICE OF PROPOSED DEFAULT AFTER FAILURE TO APPEAR.

If an applicant or claimant or appellant, petitioner, complainant, or moving party fails to appear at the time and place set for hearing on an application or claim or appeal, petition, complaint, or motion, the presiding officer may serve upon all parties a notice of a proposed default order denying the application or claim or appeal, petition, complaint, or motion. The notice of a proposed default order shall include a statement that the default order is proposed to be issued because of a failure of the applicant or claimant or appellant, petitioner, complainant or moving party to appear at the time and place set for hearing. The notice of proposed default order may be mailed to the last known mailing address of the party proposed to be defaulted.

(3 31 22)

701. SEVEN DAYS TO CHALLENGE PROPOSED DEFAULT ORDER.

Within seven (7) days after the service of the notice of proposed default order, the party against whom it was filed may file a written petition requesting that a default order not be entered. The petition must state the grounds why the petitioning party believes that default should not be entered.

(3 31 22)

702. ISSUANCE OF DEFAULT ORDER.

The agency shall promptly issue a default order or withdraw the notice of proposed default order after expiration of the seven days for the party to file a petition contesting the default order or receipt of a petition. If a default order is issued, all further proceedings necessary to complete the contested case shall be conducted without participation of the party in default (if the defaulting party is not a movant) or upon the results of the denial of the motion (if the defaulting party is a movant). All issues in the contested case shall be determined, including those affecting the defaulting party. If authorized by statute or rule, costs may be assessed against a defaulting party. (3 31 22)

703. - 709. (RESERVED)

710. INTERLOCUTORY ORDERS.

Interlocutory orders are orders that do not decide all previously undecided issues presented in a proceeding, except the agency may by order decide some of the issues presented in a proceeding and provide in that order that its decision on those issues is final and subject to review by reconsideration or appeal, but is not final on other issues. Unless an order contains or is accompanied by a document containing one of the paragraphs set forth in Sections 720, 730 or 740 or a paragraph substantially similar, the order is interlocutory. The following orders are always interlocutory: orders initiating complaints or investigations; orders joining, consolidating or separating issues, proceedings or parties; orders granting or denying intervention; orders scheduling prehearing conferences, discovery, hearing, oral arguments or deadlines for written submissions; and orders compelling or refusing to compel discovery. Interlocutory orders may be reviewed by the officer issuing the order pursuant to Sections 711, 760, and 770.

(3.31.22)

711. REVIEW OF INTERLOCUTORY ORDERS.

Any party or person affected by an interlocutory order may petition the officer issuing the order to review the interlocutory order. The officer issuing an interlocutory order may rescind, alter or amend any interlocutory order on the officer's own motion, but will not on the officer's own motion review any interlocutory order affecting any party's substantive rights without giving all parties notice and an opportunity for written comment. (3 31 22)

712. -- 719. (RESERVED)
