

NASTL 2024 SUMMER CONFERENCE

Now Accepting Sponsors!

We are excited to invite your business or organization to become a key sponsor at our upcoming summer conference. Join us in shaping the future and help Optimize State Trust Lands in Idaho and across the country!

Connect with 21 Western States and 500 million acres of state-owned trust lands

The annual National Association of State Trust Lands (NASTL) Summer Conference is an opportunity to network with key decision-makers, government officials, and industry experts. The combined holdings of the NASTL member states represent the second-largest owner of land and minerals in the United States, second only to the federal government.

Network at Idaho's renowned Coeur d'Alene Resort

Stand out to 21 Western State Land Trusts and affiliate organizations on the water at the Coeur d'Alene Resort as we show off summer in Idaho. Showcase your expertise by participating in panel discussions, workshops, or presenting case studies. This is a chance to position your organization as a thought leader in the state trust lands management sector.

Optimize revenue on state-owned trust lands

Your organization's sponsorship will not only help enable a successful summer conference, but your involvement will help ensure that state trust lands issues important to you are key discussion topics at this event. Please consider being part of the effort to increase awareness of land uses that optimize revenue generation on state endowment trust lands.

Elevate your impact and attract new audiences

Our valued sponsors will gain prominent visibility before, during, and after the conference. This includes logo placement on promotional materials, the official conference website, event signage and much more.

DATE:

August 25 - 28, 2024

LOCATION:

The Coeur d'Alene Resort

For more details or to discuss sponsorship opportunities,
Please contact:

Michele Andersen
Idaho Department of Lands
Operations Division Administrator
