Registration is OPEN!

Pre-Register for the 2024 Forestry Contest by April 12, 2024

Attached please find the pre-registration document for this year's Idaho State Forestry Contest. We are expecting 2024 to be another great event as we continue the legacy. Please reserve your team's space early so that we have time to accommodate all contestants.

There are Practice Kits available as well as volunteers willing to assist coaches with key chapters of the Forestry Contest Manual. This is a great opportunity for the Senior Individual Winner to potentially walk away with up to \$2,000.00 in cash and scholarship funds!

We look forward to seeing all of you on the course at the 2024 Idaho State Forestry Contest!

Registration Process

After you submit your pre-registration documents, you will receive a confirmation email.

You will then receive a Registration Roster to provide contestant names. We understand there may be changes but ask that you provide initial information as soon as possible for planning purposes. After April 12, we will follow up with you to fine tune your numbers and contestant names.

The morning of the contest we will confirm your contestant list and make any adjustments necessary at that time. Please don't hesitate to reach out with any questions!

2023 Contest Highlights

The 40th Idaho State Forestry Contest saw the most competitors to date, and the career fair expanded further. Western States CAT brought in heavy equipment for students to engage in another career avenue. The competition was fierce in all Divisions. Our Rookie Division had a tie breaker for first that required 3 tie breakers to determine the winner!

We were excited to welcome so many new teams! We look forward to seeing those teams return as well as welcoming many more teams to join us in the future.
