

STATE BOARD OF LAND COMMISSIONERS

February 20, 2024

Regular Agenda

Subject

Negotiated rulemaking for IDAPA 20.03.02 *Rules Governing Mined Land Reclamation*

Question Presented

Shall the Land Board authorize the Department to initiate negotiated rulemaking for IDAPA 20.03.02 *Rules Governing Mined Land Reclamation*?

Background

The Idaho Department of Lands (Department) administers these rules under the authority of the Idaho Mined Land Reclamation Act (Title 47, Chapter 15, Idaho Code). These rules establish the notification requirements for exploration and the application, operation, and reclamation requirements for mined lands. In addition, they establish the application and closure requirements for cyanidation facilities. Lastly, these rules contain the financial assurance requirements for mining and cyanidation facilities.

Following Executive Order 2020-01, Zero-Based Regulation, this rule chapter is scheduled for a comprehensive review in 2025 with the goal of simplifying the rules for increased clarity and ease of use. The Department anticipates a high level of public interest in this rulemaking and recommends starting negotiations in the spring of 2024 in order to finish negotiations by the summer of 2025.

Discussion

The Department anticipates diminishing the overall regulatory burden by reducing both total word count and the number of restrictive words in the new rule chapter. The Department will review the rule with stakeholders to ensure that it is right-sized.

A proposed timeline for the rulemaking process is provided in Attachment 1.

Recommendation

Authorize the Department to initiate negotiated rulemaking for IDAPA 20.03.02 *Rules Governing Mined Land Reclamation in Idaho*.

Board Action

A motion was made by Controller Woolf that the Land Board authorize the Department to initiate negotiated rulemaking for IDAPA 20.03.02 *Rules Governing Mined Land Reclamation in Idaho*. Attorney General Labrador seconded the motion. The motion carried on a vote of 4-0.
