

IDAHO DEPARTMENT OF LANDS

Coeur d' Alene, Idaho

Signed this 18<sup>th</sup> day of July 2024

NOTICE OF RESTRICTIONS

Whereas, Critical Fire Danger exists within parts of Idaho, herein after described;

NOW THEREFORE, under the authority vested in me under Section 38-115, Idaho Code, and the Rules Pertaining to Forest Fire Protection, I hereby direct the following Stage I Fire Restriction measures to apply to all state and private managed lands in the following areas outside of incorporated city limits as described below:

**Grangeville Dispatch Area/ Fire Restrictions Area**

**Riverbreaks:**

The western boundary predominately follows the Snake River. The northern extent follows the southern edge of the IDL Ponderosa protection area; Hwy 12; the Clearwater/Idaho County line; and Lolo Creek until it meets the western boundary of the Nez-Clearwater National Forest boundary. The western extent continues south along the National Forest property. The southern extent includes a 2-7 mile wide dogleg that buffers Hwy 95 from Slate Creek to Gotzinger.

**Northern Uplands:**

includes the CPTPA protection area and follows the eastern boundary of the IDL Ponderosa protection area; the remaining northern extent is bounded by the Clearwater National Forest boundary and Idaho state line. The eastern extent is bounded by the state line boundary and the Nez-Clearwater National Forest boundary. The southern extent follows the Salmon River and the Nez Perce National Forest boundary. The uplands include an island of Nez-Clearwater NF lands; it borders the Riverbreaks zone along Hwy 95 and is bound on the western side by the Hells Canyon National Recreation Area. Hells Canyon National Recreation Area is under the jurisdiction of the Wallowa Whitman NF, but fire response is dispatched out of the Grangeville Dispatch Area. Restrictions will follow the Idaho Plan.

**Southern Uplands:**

The northern extent is bounded by Idaho highway 12 to the Montana border. The eastern extent follows the Idaho state line south to the Salmon River where the river becomes the southern boundary.
