DATE: **September 10, 2024**

SUBJECT: NOTICE OF APPLICATION PUBLIC HEARING L95S6105A – Rivelle LLC

Enclosed is an application requesting permission to **expand existing commercial facility, construct a commercial year-round building area, build a boat launch, dredge, build a seawall with riprap, and have a nonnavigational building for storage on Lake Coeur d'Alene.**

The Department has requested a hearing. The date, time and location of the Public hearing is yet to be determined and will be advertised when finalized.

Please submit your comments, recommendations, or objections to IDL by **October 15, 2024**, regarding the likely effect of the proposed encroachment upon adjacent property, lake, and streambed value factors of navigation, fish and wildlife habitat, aquatic life, recreation, aesthetic beauty, or water quality. If you have concerns or are opposed to the project as proposed, please list your specific reasons for concern or opposition and any facts or documentation to support your position.

You should recommend alternate plans if they are economically feasible to accomplish the purpose of the proposed encroachment. You should also recommend any mitigation measures or special restrictions/provisions you would like included as part of the permit if one is issued.

If you do not submit a comment, IDL will assume you have no objections to the application. If you have questions concerning the application, we suggest you contact the applicant. If the applicant cannot answer your questions, please contact us.
