

NOTIFICATION OF GEOTHERMAL LEASE APPLICATION AND PUBLIC HEARING

Pursuant to Idaho Code § 58-307(5), et seq. and according to Idaho Department of Lands policy, notice is hereby given that Zanskar Geothermal & Minerals, Inc. has submitted an application for a geothermal lease on approximately 5,882 acres of state endowment trust land located northwest of Grays Lake in Bonneville County (Township 3S, Range 42E and Township 4S, Range 42E). The term of the geothermal lease will be in excess of 20 years and up to 49 years. A geothermal lease which authorizes the exploration and development of geothermal resources for electrical generation is currently being developed that will be subject to a future advertised public auction process. A map of the project area, known as the Grays Lake Project, is posted on the Idaho Department of Lands website at:
