

**SCHEDULE A-1**  
**SCHEDULE A-2 (QUESTIONNAIRE) MUST BE SUBMITTED WITH THIS DOCUMENT**  
**25-303 Forest Legacy Program Consultant**

The TOTAL HOURLY RATE must be FULLY BURDENED to include, but not be limited to: direct raw labor costs or hourly wages; all costs for hourly overhead such as vacation and sick pay; general and administrative overhead including travel costs, associated rent, utilities, computer time, office supplies; profit; fees; supplies; performance evaluation and quality assurance. In short, the TOTAL HOURLY RATE is defined as 'all costs, including travel, associated with the delivery of an hour of services from the personnel cited on a billing statement'. The Contractor cannot bill at a higher rate for the corresponding individual on any given task order than the TOTAL HOURLY RATE provided in the original response to this WRFQ.

FOREST LEGACY PROGRAM CONSULTANT	TOTAL HOURLY RATE
Provide financial, administrative, real estate, and technical expertise to assist in the completion of the following FLP projects: Boundary Connections 2 (BC2), Moyie River Corridor Phases 1 and 2 (MRC), Spirit of Mt. Spokane (SMS), and International Selkirk Loop (ISL).	\$ -

\*The Contractor, at its option, may submit an escalation request in writing, no less than forty-five (45) calendar days prior to the renewal date of the Contract, for an equitable adjustment to its TOTAL HOURLY RATE for the impending renewal. This requested increase in TOTAL HOURLY RATE cannot exceed 3% annually. Upon receipt of the escalation request, IDL will review and either approve, clarify, or disapprove the increase. If disapproved, IDL will provide a substantive written justification as to why the escalation request was denied.
