2. **Endowment Fund Investment Board Manager’s Report** – *Presented by Larry Johnson, EFIB Manager of Investments*

A. **Manager’s Report**  
**DISCUSSION:** Mr. Johnson stated that distributions for 2016 and 2017 are well-secured, with sufficient reserves. Mr. Johnson reported that the Investment Board met on October 9th to interview real estate investment managers and voted to invest $150 million, split equally with the Trumbull Property Income Fund and the RREEF America II Fund. After implementation, which is anticipated to take one year, the asset mix of the Endowment Fund will be 66% equity, 26% fixed income, and 8% U.S. commercial real estate. Mr. Johnson mentioned that the Investment Board will attend the November regular Land Board meeting and present its annual report, which will include a report on the financial statements. Mr. Johnson noted the Investment Board will also discuss two pieces of draft legislation that the Board has been composing. One would increase the amount of school bonds that can be guaranteed by the Public School Endowment Fund and the second would clarify that the Treasurer has the authority to continue the past practice of investing idle endowment funds as requested by the EFIB. Mr. Johnson commented that in the last month EFIB completed the 2015 Citizen-Centric Report, a copy of which was given to each Land Board member. The report covers many endowment activities; the Board may find it useful when talking about endowment lands and the Fund with stakeholders.

B. **Investment Report**  
**DISCUSSION:** Mr. Johnson reported that equities were down almost 4% in September, which reduced the Fund value by 2.5% over the month. October has been more positive; through yesterday the Fund is up 4.4%. Fiscal year-to-date the Fund is at -2.1%.

Attorney General Wasden observed that the monthly report states Endowment Reserves are at least 4.8 times the size of the 2017 distributions and inquired which of the reserves are not at the five-year mark. Mr. Johnson stated he did not have the data with him, but believed it to be State Hospital South. Mr. Johnson said he would confirm and provide that information following the meeting.
